AzRHA Member

**How did you get started in reining?** *My older sister started reining about 5 years ago. I tried it about 3 years ago and loved it!*

**What is the best part of being a member of the AzRHA?** *I like going to the shows. They are always well put together. And the members are all so sweet and help you with anything you need.*

**Tell us about your horse.** *His registered name is Showhiz but we call him Jelly Bean. He is very cute, super sweet and tries hard for me. He's in training with Patrick Flaherty.*

**What accomplishment are you most proud of?** *Working hard and bonding with Jelly Bean so we could win 2 saddles at Cactus Classic in Rookie Levels 1 & 2.*

**What is something most people might not know about you?** *My favorite food is sushi. I'm a pescatarian so that is basically all I eat!*
